Dear Warren,

Words cannot express our gratitude for your sublime contribution to the success of the Keshet Eilon concert at Sir Sydney and Lady Lipworth's home.

I would like to thank you personally for your role in making this event so unforgettable.

I was so glad to have the opportunity to meet you, and I look forward to many more opportunities to work together in the common goal of furthering music throughout the world.

On behalf of the London friends of Keshet Eilon and Prof. Itzhak Rashkovsky in friendship and esteem,

Gilad
